366	01-Apr-2026	Wednesday	Regular	New Session Begins 2026 – 2027		

Note:**1. Co-Curricular Activity Plan**

To foster a holistic education experience, we have outlined the following co-curricular activities:

Class Responsibilities

- Cleanliness of corridors: Class-wise duty
- Morning Assembly: Class-wise responsibility

Morning Assembly Structure

1. Prayer
2. Thought & Shloka
3. News
4. National Anthem

Weekly Assembly Themes

- Monday: Quiz (5 questions)
- Tuesday: Regional Song
- Wednesday: Speech on Moral Values
- Thursday: Story
- Friday: Poem
- Saturday: Skit (max. 5 minutes)

Special Celebrations

- Class teachers will celebrate important days during morning assembly.

This structured approach aims to promote teamwork, cultural awareness, and essential life skills among our students.

2. Extra Classes:

- Classes X and XII will have extra classes during morning assembly.
- Students will also stay back after school on a daily basis for additional academic support.

3. In-Service Training for Teachers:

- Coordinators, CCA In-Charge, and Special Educator will plan in-service training sessions for teachers.
- These sessions aim to enhance teaching skills, update knowledge, and promote best practices in education.
- Slot – 1 13th May 2025 – 23rd May 2025 = 10 days (Each day 5 hours)
- Slot – 2 01st January 2026 – 03rd January 2026 = 03 days (Each day 5 hours)

We believe these initiatives will provide our students with the necessary support to excel academically and prepare our teachers to deliver high-quality instruction.

4. Session 2025-2026: Class Test Registers

To ensure continuous assessment and progress monitoring, we are introducing a new system for class tests. Here are the details:

- Each student will maintain a separate register for each subject.
- These registers will be used for class tests and will be deposited with the Class Teacher.
- The registers will be stored in the Class Almira.
- Subject teachers will plan and conduct class tests every week during their respective periods.
- The registers will be shared with parents during Parent-Teacher Meetings (PTMs) to discuss the child's progress.
